How to use this service

Please fill in the blue section only for the standard restoration service of black & white, sepia and colour photos.

Please fill in both the blue and lilac sections for the black & white to full colouring service.

Please complete this form and return it along with your photograph or negative. Please pack photographs and negatives securely in card backed envelope and clearly marked. **DO NOT BEND.** Photographs and negatives are only scanned and will be returned to you unharmed. [Return the prints for a full refund if not delighted with the results.](#)

IMPORTANT please put your name on the back of photographs or seal negatives in an envelope with your name on. Any problems please phone Phil on: 01304 366 804

**Send to: Philip Gahan.

PROVIDING ADDITIONAL INFORMATION FOR THE COLOURING SERVICE.

If you need to provide more information about colouring your black & white photographs please use a separate sheet and attach. This could be about the colour of a car a house or other items in your photo.

Standard restoration of Black & White and Colour Photos Please examine your photograph and choose the level of restoration needed. Enter level 1 to 4 in the box <input type="text"/>	Level 1 Print Enhanced B/W Sepia or Colour £9.00 Small area of damage, the photo is in excellent condition and requires only enhancement or minor repair. Minor adjustment to colour, brightness and contrast. Remove a few scratches or spots in background. Red-eye or blemish removal. Re-compose to improve the balance of the picture.	Level 2 Print Enhanced B/W Sepia or Colour £15.00 Larger areas of damage mainly in background areas. The photo is in fair condition. Adjustment to colour, brightness and contrast as required Remove scratches and minor creases in background and subject area but not on faces Minor damage (spots or blemishes) to facial features. Small areas of background missing.
	Level 3 Print Enhanced B/W Sepia or Colour £25.00 Major areas of damage mainly in background areas the photo is in poor condition or torn in pieces. Rebuild torn photo. Adjustment to colour, brightness and contrast as required. Remove scratches and creases in background and subject area including faces. Major damage to facial features. Larger areas of background missing.	Level 4 Print Enhanced B/W Sepia or Colour £35.00 Major areas of damage in background and subject areas. The photo is in very poor condition or torn in pieces. Rebuild torn photo. Adjustment to colour, brightness and contrast as required. Remove scratches and major creases in background and subject area including faces. Major damage to facial features. Rebuilding larger areas of background or subject and missing detail. Repairing holes and missing sections of photograph.

Full colour restoration of your black & white photograph. This service is in addition to the standard restoration of black & white and colour photos outlined above. The charge for full colour restoration is £17 for all levels of restoration. For example a black & white restoration (**Level 1**) would be £9 plus £17 = £26 in total. See website for examples of this amazing service.

Please indicate here if you require this service

The first two gloss prints (6" X 4") are included in all restorations.
